

2013-14 LHWHS Activity Fee

For the 2013-14 school year, the district is collecting a \$75 activity fee for all high school students participating in a Missouri State High School Activities Association (MSHSAA) sport or activity. The purpose of the fee is to help offset the costs of these activities. Ladue's activities that participate in MSHSAA sponsored events are: all MSHSAA sports teams*, Speech & Debate, Scholar Bowl, and MSHSAA sponsored instrumental & vocal events.

Students will be required to pay the fee before participating in their first MSHSAA sponsored event. Once the student has attended one game or activity as a participant, the fee will not be refunded if the student does not complete the season. The fee covers the entire school year regardless of the number of sports and activities chosen. There is a \$150 cap per year for each family if there are multiple siblings participating in activities. The fee will be waived upon request for students receiving free or reduced school meals.

The fee can be paid one of three (3) ways: cash, check or online through www.myschoolbucks.com.

This form must accompany cash or check payments.

Please contact Jenifer Strohbeck at 314-983-5421 or jstrohbeck@ladueschools.net for more information.
